You've Got Questions We've Got Answers

We can answer your questions about:

- Conservation, drought, and supply reliability
- Water quality and safety
- Replacing aging pipes, pumps, valves, etc.
- Oversight of rates and operations
- Sustainability and community involvement
- Community partners will be on hand, including St. Joseph Health, St. Mary, Granite Hills High School's SCADA Academy, EcoTech Services, Apple Valley Fire Protection District, CHiPs4Kids/ March of Dimes, Apple Valley Legacy Trail and more!

Remember to mark your calendar and bring a friend!

Wednesday, April 8, 2015 at 6:00 p.m.

**Granite Hills High School - Library
