To the Town of Apple Valley and Apple Valley Ranchos Water Company:

As you are aware, Apple Valley Chamber of Commerce has chosen to host a community forum on the proposed purchase of Apple Valley Ranchos Water Co by the Town of Apple Valley. Our intent is to provide an opportunity for the community and businesses to hear from both parties in a single forum and to address their concerns.

Therefore, on behalf of Apple Valley Chamber of Commerce Board of Directors, I am extending an invitation to each organization to participate in the forum on October 29, 2015, 6:30 to 8:30 PM at the Church of the Valley, Hanson Hall.

The proposed format is:

- 15 minute presentation by each party espousing their position
- 60 minutes Q&A, alternating between each party and asked by the facilitator. Questions will be submitted in advance of the forum and reviewed prior to the event by the Chamber committee.
- 15 minute summation by each party

Presentations and responses to the questions shall be limited to talking specifically to the benefits of your positions without addressing the other party. This is not a debate but an opportunity to educate the community on your respective position. The facilitator retains the right to interrupt any speaker straying from the rules of the evening.

Please let us know of your acceptance of this invitation no later than August 21, 2015.

Sincerely,

Rick Danzey
Chairman of the Board
