

The Town Government Is Being *FA\$T* and *LOO\$E* with Your Money

**No Transparency
Wasted Tax Dollars
Higher Taxes**

**The Apple Valley Town
Government's attempted takeover of
Apple Valley Ranchos Water Company
has the Town Council,
its lawyers and the Town staff running
fast and loose with your tax dollars**

Using Eminent Domain for a Government Takeover of a Private Business

These *FA\$T* and *LOO\$E* decisions to spend your tax dollars by your Town Government show a **lack of transparency in their attempt to mislead voters with misinformation to rationalize the use of eminent domain to condemn a private company.**

More than \$1,400,000 of your tax dollars and counting

This *FA\$T* and *LOO\$E* spending to attempt to take over Apple Valley Ranchos by your Town Government is projected to cost more than \$3,200,000 and has already resulted in more than \$1.4 million of **wasteful spending**

By 2018 Your Town Government Will Have Raised Our Sewer Rates by 178%

Are you to believe this *FA\$T* and *LOO\$E* Town Government can “stabilize” anything much less water rates?
